how we handle money and possessions is central to our spiritual health and our emotional well being this book does not set out to provide all the answers but it

aims to help us ask some of the important questions about what it means to be a faithful disciple of Jesus Christ around money and possessions nor is this a matter for just our personal discipleship we need to be praying for our nation especially for Christians who work as economists and bankers and politicians we need to pray that what emerges from this turbulent period is a more gentle form of wealth creation less aggressive less driven by profit more underpinned by spiritual social and moral values

As the new Russian state struggles with the transition to a market economy the need for radical monetary reform becomes increasingly urgent the choice of reform is crucial for it will largely determine Russia's future economic performance in order to break free of the lingering effects of Soviet central planning the new Russian state needs a stable convertible currency Steve H Hanke Lars Jonung and Kurt Schuler propose that Russia establishes a currency board which would issue a Russian currency fully convertible with international currency backed 100 per cent by international bonds the international community would aid in establishing the currency board by providing the initial reserves early supplies of this new Russian currency would be distributed free to Russian citizens the authors give detailed explanations of how the currency board could be established and how it would work
